REPORT OF THE SEACOAST HOME HEALTH ASSOCIATION

The Seacoast Home Health Association serving the towns of North Hampton, Hampton, Hampton Falls, and Seabrook is most commonly known as "The Visiting Nurse Association," but its scope has become far wider.

Because of both Federal and State requirements, Home Health Care may also mean teaching a member of the family to properly care for a child, or anyone in the home who is ill. It also means checking and following up on T.B. cases, operation a "Well Child Clinic", assisting School Nurses (at their request) with an immunization clinic, - and much more than giving a bed-bath or a shot, although the latter are necessary.

The following report of our Nurse Supervisor, Mrs. Doris Gardner, gives an excellent picture of the growth and activity of our Association:

"Since the Seacoast Home Health Association was established three years ago there has been a steady increase in the number of calls made each year. From 2089 in the year ending June 30, 1970 to 3886 in the year ending June 30, 1972. Due to the increase in case load our Staff now consists of three full time Registered Nurses, and one part time Licensed Practical Nurse. In addition to the nursing staff our agency now has under contract a physical and occupational therapist. The service of a speech therapist is available when required.

There are 44 children from our area being followed by the State Crippled Children service. We make visits to these families at the request of the State Public Health nurse when there is any problem regarding appointments or medications.

Our Well Child Clinic, which was started in May 1971 at the request of the State, has been well received. It has been proven that there is a definite need for this service as we now have 248 children enrolled, and have discharged 98. Services provided at the clinic include Physical Examinations by Dr. Whitney, a complete immunization program, routine hemoglobin, counseling regarding dental care by a State Dental Hygenist, and Nutrition counseling by Rockingham County Home Economist. Growth and development assessments are done by agency nurses, and follow-up

home visits WHEN REQUESTED BY THE PHYSICIAN. The outreach worker at our clinic has referred 81 patients to the Family Planning Clinic in Exeter, and 11 children have been referred to the Crippled Children Service, Pediatric, Diagnostic, or Heart Clinics.

The Well Child Clinic is funded by the State with regard to supplies and salary of the doctor, and due to the generosity of the Trinity United Church of Seabrook, N.H. is held the first Friday in each month at their Parish House located on Lafayette Road. Appointments must be made in advance.

Our last report showed 9 patients being followed under the State T.B. Program. Currently our records show that this has increased to 14. Monthly visits are made to check on medications and x-ray appointments.

Members of the staff have taken advantage of any educational opportunities offered in the area some of which include a monthly Pediatric conference presented by the doctors from the Exeter Clinic, bi-monthly conferences given at Exeter Hospital on Cancer, programs presented by the State on T.B., Maternal and Child Health conferences at the University of New Hampshire, as well as workshops on Arthritis, Stroke, Nutrition, Cystic Fibrosis and re-habilitation nursing."

Doris Gardner
Nurse Supervisor

Between July 1, 1972 and December 31, 1972, 2113 calls have been made by our nurses, and increase of 212 over the same period last year. 458 of these have been free.

The fiscal year of the Association runs from July 1, to July 1 each year, but the annual meeting is held the second Tuesday in January. This makes budgeting a bit difficult as the need increases. We must bear in mind that the population of ALL southern New Hampshire towns has increased very rapidly during the past few years.

On behalf of the Board of Directors I wish to express our appreciation to the four Towns involved, to the organizations and private citizens who have contributed to this worthwhile work, and the ladies who have given

volunteer service at the Well Child Clinic.

The Board is very prowd of our Staff who are dedicated and conscientious nurses, and of our efficient part-time Secretary.

On January 1, 1973 it was necessary to move to larger quarters at 33 Winnacunnet Road, Hampton where our nurses may be reached at phone number 926-2066.

ARTICLE XXVIII. To see if the Town will vote to adopt as the final closing date for sessions for correction of the checklist the Thursday next preceding the day of the election or meeting for which the checklist is required.

ARTICLE XXIX. To see if the Town will vote to create a special committee to be known as the "Regional Refuse Disposal Planning Committee" consisting of three persons appointed by the Moderator.

1. This committee may join with committees from other Municipalities to form a "Regional Refuse Disposal Planning Board". This Board shall study the feasibility of Regional solid waste disposal, including the organization of a district, methods of disposal, financing, site selecting and estimate costs of construction and operation of a facility. The Planning Board shall also be responsible for the drawing up such agreements as they deem necessary which will govern the operation of a Regional Refuse Disposal District.

2. The Regional Refuse Disposal Planning Board shall report its finding and recommendations to the Board of Selectmen.

3. The Selectmen upon receipt of a recommendation that a Regional Refuse Disposal District be established shall cause a question of accepting such plan to be presented for determination by vote with printed ballots at the next annual Town Meeting or at a Special Meeting called for that purpose.

4. The above Article is in accordance with RSA 53B.

ARTICLE XXX. Upon the petition of Warren G. Crawford and fourteen (14) other voters of the Town: To see if the Town will vote to ban all surf boards and surfing on the shores of the Atlantic Ocean at Seabrook Beach, New Hampshire. This act shall take effect immediately upon passage. Anyone violating this act shall be fined $10.00 for the first offense, $25.00 for the second offense and $50.00 for each offense thereafter.

ARTICLE XXXI. Upon the petition of Benjamin E. Moore and twenty-four (24) other voters of the Town: That the Selectmen, Building Inspector, Planning Board, or any other agent for the Town of Seabrook issue no building permits for the construction of apartments or condominiums within the geographical boundaries of the Town of Seabrook. This Article is to go into effect immediately upon passage.

ARTICLE XXXII. Upon the petition of Benjamin E. Moore and twenty-five (25) other voters of the Town: That the Planning Board or Board of Selectmen disapprove any site plan which is specifically for use as a mobile home, or trailer, park; and that no certificate or notice of authorization for such site plans be filed with the registrar of deeds. This Article is to take effect immediately upon passage.

ARTICLE XXXIII. Upon the petition of James W. Humphries, Jr. and thirty-two (32) other voters of the Town: (a) To see if the Town will vote to accept as a public highway, the roads named Pine Cone Drive and Timber Court, as shown on the plan entitled "PINEBROOK ESTATES, NEW HAMPSHIRE" by Great Eastern Land Corp.; Scale 1" = 60'; Dated August, 1971; Parker Survey Associates, Surveyor; Lafayette Road, Seabrook, New Hampshire. REPORT OF TRAFFIC SAFETY COMMITTEE
FOR 1972

The committee reactivated in April 1972 and made the beach problem its first order of business. No parking areas were marked and several "Tow Areas" established. With excellent cooperation from the Police Department there were practically no complaints of illegal parking.

The following improvements were made in road warning signs:

Route 286 speed limit was reduced to 50 MPH, to cover the cross road at Adams Avenue and Adams Campground. In addition a 35 MPH warning sign was placed ahead of the Black River 35 MPH sign. On route northbound, the signal ahead sign was improved by adding the 3 color triangle, indication that three color signals were located around the bend. This improved the route 107 - route 1 situation considerably.

Improved 35 MPH signs of larger dimensions have been placed on route 1A northbound. Additional 35 MPH signs are still to be placed in both northbound and southbound lanes from Hampton Bridge to route 286.

The excessive speed on route 1 was cut down by having the 35 MPH sign replaced 100 yards north of the Seabrook line.

The bad situation of water accumulation at Paul Carey's on route 1A has been eliminated.

The State has approved making the right hand lane southbound from Hampton a right turn only lane. The State is also studying the problem of cutting across a one way lane at Folly Mill Road. This is a hazard in both north and southbound lanes.

The pedestrian crosswalk markers will be replaced on route 1A. Absence of these created a hazard this past year.

The committee is also trying to get highway safety material from the state to be paid for in part by Federal funds.

We are pleased to note here, that many Seabrook folks are aware of our attempt to reduce highway accidents, and have been most cooperative.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen
Seabrook, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Seabrook for the fiscal year ended December 31, 1971, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audit reports must be given to the Town Clerk for retention as part of the permanent Town records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Municipal Court, Water Department and Trustees of Trust Funds.

FINANCIAL STATEMENTS

General Fund:

Comparative Balance Sheets - December 31, 1970 and December 31, 1971: (Exhibit A-1)

Comparative Balance Sheets - General Fund - as of December 31, 1970 and December 31, 1971 are presented in Exhibit A-1. As indicated therein, the Current Surplus of the Town increased by $12,458.26 in 1971, from $5,772.50 at December 31, 1970 to $18,230.76 at December 31, 1971.

Analysis of Change in Current Financial Condition: (Exhibit A-2)

An analysis of the change in current financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Analysis of Change

Increases in Current Surplus:		
Net Budget Surplus	$15,886.41	
Tax Collector's Excess Credits	2,788.70	
		$18,675.11
Decreases in Current Surplus:		
Tax Liens Transferred to Tax Deeds	$ 985.89	
Increase in Estimated Uncollectible Tax Liens	5,230.96	
		6,216.85
Net Increase in Current Surplus		$12,458.26

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of general fund appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1971, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a net unexpended balance of appropriations of $6,302.98 plus a revenue surplus of $9,583.43 resulted in a net budget surplus of $15,886.41.

Water Department:

Comparative Balance Sheets - December 31, 1970 and December 31, 1971: (Exhibit A-5)

Comparative Balance Sheets of the Water Department as of December 31, 1970 and December 31, 1971 are presented in Exhibit A-5. As indicated therein, the Net Debt of the Water Department decreased by $46,726.85 in 1971, from $481,460.32 at December 31, 1970 to $434,733.47 at December 31, 1971.

Long Term Indebtedness:

Comparative Balance Sheets: (Exhibit A-6)

Comparative Balance Sheets of the outstanding long term indebtedness of the Town as of December 31, 1970 and December 31, 1971 are shown in Exhibit A-6. The outstanding long term debt decreased by $28,766.49 during 1971, from $463,587.84 to $434,821.35.

Statement of Debt Service Requirements: (Exhibit A-7)

A statement showing annual debt service requirements, as of December 31, 1971, is contained in Exhibit A-7.

TREASURER

General Fund:

Classified Statement of Receipts and Expenditures: (Exhibit B-1)

A classified statement of general fund receipts and expenditures for the fiscal year ended December 31, 1971, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1971, is indicated in Exhibit B-2.

Water Department:

General Fund:

Classified Statement of Receipts and Expenditures: (Exhibit B-6)

A classified statement of receipts and expenditures for the fiscal year ended December 31, 1971 is included in Exhibit B-6. Proof of the Treasurer's Balance as of December 31, 1971, is indicated in Exhibit B-7.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amounts of uncollected and unredeemed taxes as indicated in this report are subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Unredeemed Taxes:

As of December 31, 1971, unredeemed taxes on account of the levies of 1968 and prior years amounted to $27,657.07, as shown in the following tabulation:

Levy Of	Unredeemed Taxes
1968	$10,553.72
1967	7,960.23
1966	3,381.56
1965	2,627.30
1964	1,489.06
1963	980.43
1962	664.77
	$27,657.07

This amount represents approximately forty four percent (44%) of the total unredeemed taxes outstanding at December 31, 1971, as shown by the Tax Collector's records.

The statutory redemption period has expired in all of these cases. The Tax Collector, therefore, should have delivered tax deeds to the Town for all the tax-delinquent real estate involved. This, however, was not done prior to the close of the fiscal year ended December 31, 1971.

Consequently, these unredeemed taxes are carried on the records as part of the total assets of the general fund and, in our opinion, overstate the amount of the Town's current surplus.

To correct this situation, the sum of $27,657.07 has been inserted as a provision for estimated uncollectible tax liens on the Balance Sheet as of December 31, 1971 (Exhibit A-1). This reduces the estimated recoverable tax liens held by the Town at that date to $35,578.31. We believe that this latter amount reflects more realistically the net assets and current surplus of the Town at the close of the fiscal year 1971.

We again have instructed the Tax Collector to execute tax deeds to the Town at once on all properties on which tax liens are in default, in accordance with the requirements of R.S.A., 80:38.

Surety Bond of Town Treasurer:

The surety bond of the Town Treasurer should be increased in amount from $25,000.00 to $29,000.00 in order that it may be proportional to the amount of funds received by this official. This bond should be issued on an annual basis in that amount.

Tax Collector:

During the fiscal year, there were excess credits of $2,788.70 in the accounts of the Tax Collector, i.e., credits exceeded total debits as indicated in Exhibit C-1. These resulted from posting errors

in the tax warrants and inadequate accounting over receipts. Also, tax collections in excess of $400,000.00 received after the close of the fiscal year were entered as 1971 receipts. This is a violation of both state and federal laws, which require that tax payments must be recorded in the fiscal year in which such payments are made.

It is essential that the Tax Collector's records be reconciled at the end of each year in order that errors in the accounts be located and corrected before the annual audit. This process reduces the audit time required in connection with the tax accounts, and consequently, results in considerable savings to the Town. Additionally, it should be noted that the law requires that the Collector shall reconcile the tax accounts. This is not the function of the auditors of this Division.

The Tax Collector should adopt the use of the prescribed columnar cash journals in which all tax payments (cash or check) should be recorded and classified. Tax collections should be recorded in the calendar year in which they are received. The Collector's cash book, by law, must be closed on December 31st of each fiscal year.

Trust Funds:

It is noted that a portion of the Trust Fund assets are invested as follows:

Provident Institution for Savings, Amesbury, Massachusetts	$ 7,220.13
Institutions for Savings, Newburyport, Massachusetts	6,292.18
Newburyport Five Cent Savings Bank, Newburyport, Massachusetts	827.45
	$14,339.76

In this connection, the attention of the Trustees is called to Chapter 31, sections 25 and 27 of the Revised Statutes Annotated, relative to legal investments prescribed for Trust Funds. All funds are required to be invested in approved banks located and doing business in the State of New Hampshire.

Conclusion:

The provisions of Chapter 71, Section 27-a, of the Revised Statutes Annotated require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next

annual report of the Town. Publication of the Exhibits contained in the audit report is optional, at the discretion of the Board of Selectmen.

We extend our thanks to the officials of the Town of Seabrook for their assistance during the course of the audit.

Very truly yours,

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Seabrook for the fiscal year ended December 31, 1971.

Our examination included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Seabrook at December 31, 1971, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

Special fund for the erection of a tablet, in Hampton Cooperative Bank:

10-30-19	Memorial Fund	374.91	482.51	42.28	.00

TOTALS:	$11,645.67	$4,239.75

Because of a state law dating back to at least 1941, we were required to move all funds into New Hampshire banks. For the ease of bookkeeping, we decided to combine all cemetery funds into a Common Trust as suggested by the office of the Attorney General.

Trustees of Trust Funds:
Stanley A. Hamel, Chairman & bookkeeper
Gary K. Fowler
Raymond C. Sturgis
